You supply artwork for a 2.5 x 3.5 space, in no more than three colors. After Beachaven's approval, you will work directly with the printer of the labels to ensure your satisfaction with the final product. There is only one printer approved to do these labels. He is in Hopkinsville, KY. His name will be provided when art work is approved.

If preparing a military label, we need a letter from the units commanding officer giving Beachaven Vineyards & Winery permission to use the artwork.

Case discounts will be honored on these wines. If you are tax exempt, please provide a tax number. Printing costs are included in the wine price on orders this large. Beachaven Vineyards & Winery reserves the right to sell the wine bearing your label in our tasting room, if appropriate, and to release it to the Class VI store on Fort Campbell.
